Holidays worked will be paid at double the Employee's regular rate of pay, subject to the Holiday work schedule being limited to four (4) hours on each Holiday. Overtime compensation must be authorized by the Executive Director of Operations or his designee as it becomes necessary to meet operational requirements.

In the event that an employee is called back to work more than once in the same four (4) hour period, his compensation will only be the four (4) hour guarantee at the overtime rate unless his work requires him to actually work more than four (4) hours, whereby he will be compensated for the actual time worked at the overtime rate.

ARTICLE VIII - GRIEVANCE PROCEDURE

A. Definition

"Grievance" is:

1) A claimed breach, violation, misinterpretation or improper application of the terms of this Agreement, including disciplinary action.

B. Any grievance or dispute which arises between an employee and the Employer shall be processed and settled in strict accordance with the time limits set out herein. It is understood that all of the time limits, unless otherwise expressed, refer to calendar days.

C. Procedures:

Within ten (10) days of the date of the grievance or the date in which the grievant should reasonably have known of its occurrence, an employee with a potential grievance may orally present and discuss his complaint with his immediate Supervisor or Executive Director on an informal basis prior to filing a formal Step 1 grievance, whenever time permits. A Union Steward may be present at such discussions.

STEP 1:

A grievance must be filed initially within fifteen (15) calendar days from the date on which the act which is the subject of the grievance occurred, or fifteen (15) calendar days from the date on which the grievant should reasonably have known of its occurrence. The grievant shall prepare his grievance in type on forms approved by each party and submit same to the appropriate party who issued the discipline or caused the violation who then shall be required to schedule, hear and determine the grievance within fifteen (15) calendar days after receiving it.

If the Executive Director is the appropriate party hearing the grievance then the grievance will automatically move to Step II. Such grievance shall include date of the alleged grievable occurrence, nature of the grievance, pertinent contractual articles allegedly violated and the remedy sought. Failure to submit the required information is grounds for a denial of the grievance. The decision of the appropriate party shall be made in type, and in triplicate and copies thereof, together with copies of the grievance,

shall be served upon the grievant, the Union Representative, and the Director within said fifteen (15) calendar day period.

STEP 2:

Upon receipt of an adverse determination by the appropriate party, the grievant or Union Representative shall have a period of ten (10) calendar days to appeal such determination to the Executive Director who shall schedule, hear and determine the grievance within fifteen (15) calendar days after receiving it. The Executive Director shall hear the grievance de novo and issue a decision in type and in triplicate and copies thereof, together with copies of the grievance and previous decision, shall be served upon the grievant, Union Representative and the Delran Sewerage Authority Board within said fifteen (15) calendar day period.

STEP 3:

Upon receipt of an adverse determination by the Executive Director at Step 2 then the grievant or Union Representative shall have a period of fifteen (15) calendar days to appeal such determination to the Delran Sewerage Board or designee, who shall schedule, hear and determine the grievance within twenty (20) calendar days after receiving it. The Delran Sewerage Authority Board or designee shall issue a decision in type and in triplicate and copies thereof, together with copies of the grievance and previous decisions which shall be served upon the grievant and Union Representative within said twenty (20) calendar day period.

STEP 4:

Upon receipt of an adverse determination by the Board or designee, the Union shall have thirty (30) calendar days to appeal such determination to arbitration pursuant to the rules of the Public Employee Relations Commission. The cost of the Arbitrator shall be borne by the Delran Sewerage Authority and Union equally. Any other cost shall be borne by the party incurring it.

D. GENERAL RULES:

- 1) A failure to schedule, hear and determine the grievance at any step by the person designated to do so shall cause the matter to proceed immediately to the next step. Said grievance shall be deemed pending in the next step and the applicable time limits shall begin to run upon the receipt of a formal written appeal by the Union to the next step.
- 2) Under no circumstances shall the Employer have the right to appeal a grievance adjudicated favorably to the employee, except when a determination is issued by PERC.
- 3) At all steps in the grievance procedure, the grievant shall have the right to be represented by the Union and only the Union.
- 4) If the grievant alleges acts by or against the person designated to schedule, hear and decide grievances, the employee shall have the option to file the grievance with the next highest step in the grievance procedure for resolution.
- 5) A group or class grievance may be filed by a member of the affected group or class, or by a representative of the Union, however, any such grievance shall clearly delineate the group or class involved; and shall list the names and titles of the individual employees involved.
- 6) Extensions of time limits may be obtained only by the written consent of the grievant or representative and person designated to hear and determine the grievance.
- 7) If a grievant accepts a resolution that is not in conflict with this Agreement it shall be final and binding upon the parties.

E. DISCIPLINE:

1) Discipline shall be progressive in nature and corrective in intent and the progressive nature of the instances shall be started over if there are no reoccurrences within one (1) year of the original instance with the exception of the following actions which will result in immediate suspension with a recommendation of discharge:

(a) drunkenness, drinking during working hours (including lunch time), or being under the influence of alcohol or controlled substances during working hours (including lunch time) or possession of alcohol or controlled substances during working hours (including lunch time), theft or theft by deception, or unauthorized use of Authority assets;

(b) physical assault on an Authority employee, Council member or an Authority representative;

(c) being involved with a strike, a walkout that does not concern an immediate threat to the health and safety of the employee or sympathy strike;

(d) possession of firearms or explosive devices during working hours (including lunch time on Authority property and in Authority vehicles);

(e) a direct refusal to obey instructions from a Supervisor, provided, that the refusal would have an adverse effect on the Authority operation;

(f) Willful destruction of Authority property, equipment, vehicles.

2) In those instances where disciplinary action is taken by the Employer in accordance with E, 1), (a) - (f), the affected Employee will have the right to an Authority hearing to consider the recommendation of discharge. The hearing will be held within five (5) working days of the suspension action, unless the parties mutually agree to extend the time limit. If the recommendation of discharge is upheld, the Union may appeal the discharge

action directly to arbitration within thirty (30) calendar days of receipt of the written hearing decision. In the event the Authority decides to deny the discharge recommendation, it has the option of sustaining a lesser degree of discipline it deems appropriate under the circumstances. The employee is to be made whole for the difference, if any, between the discipline upheld as a result of the hearing and time lost because of the immediate suspension with the recommendation of discharge action. If a lesser degree of discipline is issued, the Union may exercise the same appeal procedure set forth above. If no appeal is made by the Union within the thirty (30) calendar day period, the discharge or lesser discipline, as the case may be, will be final.

(a) The hearing procedure will be as follows:

The Authority will designate a Board member or members to administrate the hearing. The hearing shall be at a time and place designated by the Authority and only the discharged employee, his Union Representative (if so desired, not to exceed two), the Authority supervisor who took the discharge action and any witnesses directly involved with the incident from which the discipline arose shall be present. Neither party will be permitted to have an attorney present. The Authority has the option, in its sole discretion, to record or transcribe the testimony at the hearing. It also has the option, in its sole discretion, to decide not to record or transcribe the testimony. If the Authority chooses to record or transcribe the testimony, the union will be provided with an unedited copy, and it agrees to bear any costs associated therewith. The hearing testimony or the results of same will not be precedent setting but may be introduced at the subsequent arbitration (if applicable) on this matter. The Board member(s) designated to administer the hearing

may take evidence in any order or amount deemed necessary to aid in a decision on the matter. The decision will not be arbitrary or capricious.

3) In the event of a reasonable suspicion that an employee is under the influence of alcohol or controlled substances, or otherwise in violation of Section E. 1)(a), the Authority may require that the employee submit to an alcohol or drug test immediately. The employee will be placed on suspension without pay until the results of the test is received and reviewed. A positive test may result in a discharge. A negative test result will require the Authority to reinstate the employee with full back pay and benefits. If the violation of Section E. 1)(a) involves possession of alcohol or controlled substances, the result of the alcohol or drug test, if one is required, will not preclude an ultimate discharge decision or mandate reinstatement of the employee. If an employee refuses to submit to a reasonable suspicion alcohol or drug test, it will be considered conclusive evidence of a positive test and result in a recommendation of discharge.

(a) Testing can only be ordered by the Executive Director of Operations or any Supervisor that has been trained in observing the signs of suspected drug and alcohol use. No employee will be subjected to testing unless the Authority has a reasonable suspicion, and a statement of the facts upon which the reasonable suspicion is based will be given to the Employee and the Union in writing, within twenty-four (24) hours of the testing.

(b) The Employee who has been ordered to submit to an alcohol or drug test shall have the right to select a witness to accompany the Employee to the testing site. The witness will not be permitted to accompany the Employee when a sample for the testing is obtained.

(c) All alcohol and drug testing shall comply with State and Federal Laws.

(d) In the event of a positive drug test, the Employee may request a second test to be performed on the original sample obtained. This testing may be performed at the same laboratory and the Employee will bear any costs associated with the second test. If the second test is ordered and a negative result is obtained, the Employee will be reinstated by the Authority with full back pay and benefits, except in those instances where a possession violation has occurred as set forth above.

(e) The original sample used for testing will be retained and preserved by the testing laboratory for a period of at least six (6) months. The testing laboratory and the facility which obtains the test sample from the Employee must both meet minimum governmental requirements and the laboratory must be an NIDA approved laboratory.

4) For the purposes of progressive discipline situations, the degree of discipline administrated by the Employer in a particular case must be reasonably related to (a) the seriousness of the employee's proven offense and (b) the record of the employee and his service with the Employer.

5) Grievances of minor disciplinary actions (five (5) day suspensions or less) shall be filed directly at Step 2.

ARTICLE IX - UNION RIGHTS

A. Employees shall have the right for a Union representative to be present, if the employee so requests, during any meeting at which an employee is being questioned on a matter which may lead to discipline. Further, the Employer must notify the employee of this right prior to the meeting. The employee may waive his right to have a representative present but must do so in writing.

B. The Employer will provide the Union with an up-to-date seniority list by January 30th of each year.

C. The representative of the Union shall be permitted to transact Union business on the premises before or after normal working hours and during the lunch period, provided that this shall not interfere with or interrupt normal operations of the service.

D. The Authority agrees to provide each employee with a locker, drinking water, hot water, emergency shower, and sanitary eating facilities at the main plant.

E. Labor/Management meeting will be conducted on a quarterly basis with the Executive Director of Operations or his designee unless an occurrence requires a meeting in the time period between the quarterly meetings.

ARTICLE X - MANAGEMENT RIGHTS AND RESPONSIBILITIES

A. The Employer hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the Laws and Constitution of the State of New Jersey and of the United States, including, but without limiting the generality of the foregoing, the following rights:

- 1) To the executive management and administrative control of the Authority Government and its properties and facilities, and the activities of its employees;
- 2) To hire all employees and subject to the provision of law, to determine their qualifications and conditions of continued employment, or assignment and to promote and transfer employees;
- 3) To suspend, demote, discharge or take other disciplinary action for good and just cause according to law.

B. The exercise of the foregoing powers, rights, authority, duties and responsibilities of the Authority, the adoption of policies, rules, regulations and practices and furthermore thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and in conformance with the Constitution and Laws of New Jersey and of the United States.

C. Nothing contained herein shall be construed to deny or restrict the Authority of its rights, responsibilities and authority under any national, state, county or local laws or ordinances.

ARTICLE XI - MAINTENANCE OF OPERATIONS

A. It is recognized that the need for continued and uninterrupted operation of the Delran Sewerage Authority is of paramount importance to the citizens of the Township of Delran, in the County of Burlington, State of New Jersey, and that there should be no interference caused by the Union or its members with such operation. The Union covenants and agrees that during the terms of this Agreement neither the Union nor any person acting on its behalf will cause, authorize or support any strike (i.e., the concerted failure to report for duty, or willful absence of any employee from his position, or stoppage of work or abstinence in whole or in part, from the full, faithful and proper performance of said employee's duties of employment), work stoppage, slowdown, walkout or other job action against the Authority or in sympathy with striking employees of the Township or other entities. The Union agrees that such action by the Union would constitute a breach of this Agreement.

B. The Union agrees that it will do everything in its power to prevent its members from participating in any strike, work stoppage, slowdown or other activity aforementioned or support by any action prohibited by this Agreement any such activity by any other employee or group of employees of the Authority and the Township or other entities, including sympathy strikes, and that the Union will publicly disavow such action and advise all members who participate in such activities to cease and desist from same immediately and to return to work.

C. Nothing contained in the Agreement shall be construed to limit or restrict the Authority in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages, or both, in the event of such breach by the Union or its members.

D. Nothing contained herein shall be construed as limiting or restricting any individual from the free exercise of his rights under the Constitution of the United States or the Constitution of New Jersey.

ARTICLE XII - PERSONNEL FILES

Each employee may review the contents of his file upon request. A Union representative may accompany said employee while he reviews his file. The employee shall have the right to respond to any document in his personnel file within 30 working days of its receipt by the employee. Such response shall be directed to the appropriate party and shall be included in the employee's personnel file. The Employee shall be given a copy of any document in his personnel file without cost to the Employee.

The progressive nature of the instances shall be started over if there are no reoccurrences within one (1) year of the original instance.

The personnel files are located in the Administrative Directors office.

ARTICLE XIII - HEALTH BENEFITS

Employees in the bargaining unit will continue to receive their choice of Health Care plans of the New Jersey State Health Benefits program at no cost to the employee. This also includes the existing prescription drug program and the dental coverages provided by the specific plan selected by the employee. The coverage extends to the employee and direct dependents only. New employees will become effective the first of the month following satisfactory completion of the ninety (90) day probationary period.

Each bargaining unit employee will receive an annual stipend for eyeglasses and/or eye exams as follows: \$200.00 (two hundred dollars) per person with a maximum of \$400.00 (four hundred dollars) per family (inclusive of the employee), which can be used for the employee's eye needs or for those of his family, payable upon receipt and approval by the employer of an original receipt evidencing payment for eyeglasses or an eye examination.

The Authority may, at any time, change insurance providers, so long as the new provider's benefits are equal to the current plan.

A. Disability Insurance Coverage:

The Authority will provide a disability plan for each employee to supplement the provisions for accumulated sick time set forth in this Agreement. The disability plan will provide for 52 weeks of payment at 66-2/3% of wages with no predetermined maximum amount. In the event a disability occurs as a result of an accident, there is no waiting period in order to claim disability benefits. In the event the disability occurs as a result of a sickness, the awaiting period would be seven (7) days. The Authority will require that the employee access and use his accumulated time off before being permitted to begin collecting the 52 week entitlement under the disability coverage.

B. Health Care Payment Upon Retirement - See Article XXIII Retirement and Pension

ARTICLE XIV - SENIORITY

- A. Seniority is defined as continuous unbroken service with the Employer from the employee's date of hire.
- B. Seniority shall prevail in the selection of vacation schedules.
- C. Seniority shall prevail in the event of a layoff when the skill, ability, qualifications, attendance record and past discipline of two (2) or more employees are relatively equal. The most senior employee who is determined by the employer to not be relatively equal under the criteria set forth herein, and is subsequently laid off, shall have the right to file a grievance pursuant to the provisions of Article VIII of this Agreement.
- D. Seniority and the employment relationship shall cease if any of the following occur.

 - 4) The employee is absent from work for five (5) consecutive working days without prior and proper notification to the Employer, unless the employee presents an excuse acceptable to the Employer in its sole discretion, provided that this provision shall not be construed as authorizing absence for any period; or
 - 5) The employee, when recalled from layoff, fails to inform the Employer of his intent to return to work within seven (7) calendar days after date on which the notice of recall is mailed by certified mail to the employee's last address in the Employer's records, or he fails to report to work when scheduled to report by the Employer.

ARTICLE XV - LAYOFF

A. No full-time employee shall be laid off until all part-time and temporary employees have been terminated or laid off. All temporary employees shall be laid off before any part-time employee. The Authority will provide a fifteen (15) working day notice of layoff or fifteen (15) working days' pay in lieu of notice to each full-time and part-time employee to be laid off. The fifteen (15) working day notice or pay in lieu of notice, in the case of part-time employees, shall be calculated according to hours worked. For example, a part-time employee who works three (3) eight (8) hour days per work week will get three (3) calendar weeks notice but only nine (9) eight (8) hour days of pay in lieu of notice. For the purposes of this section, a full-time employee is one who works forty (40) or more hours in a single work week as defined in Article III herein. A part-time employee is one who works less than forty (40) hours in a single work week as defined in Article III herein. A temporary employee is one who works, regardless of hours per week, not more than sixty (60) working days in any calendar year.

ARTICLE XVI - WORKER'S COMPENSATION/SAFETY AND HEALTH

A. The Employer shall at all times maintain safe and healthful working conditions.

The Employer and the Union agree that the working environment shall be characterized by mutual respect for the common dignity to which all individuals are entitled. It is agreed that verbal and/or physical harassment of an employee is inappropriate.

B. The parties agree that they will set up an advisory Health and Safety Committee composed of one (1) member appointed by the Union and one (1) member appointed by the Employer. The Committee will meet at the discretion of its members and will forward any advisory reports in writing to the Sewerage Authority Council.

C. When an employee is injured while performing his employment duties, he shall immediately notify the Executive Director of Operations or his designee so that a report may be prepared.

The employee and the Executive Director of Operations or his designee are also required to prepare an accident report.

WORKER'S COMPENSATION:

When an employee is injured on duty he is to receive Worker's Compensation due him plus the difference between the amount received as compensation to him and his salary during the period of temporary disability only if covered by the Statutes of the State of New Jersey covering Worker's Compensation.

ARTICLE XVII - UNION DUES

A. The Employer agrees to collect monthly union dues by deducting weekly an amount equal to 1.154% from the base pay of each employee who has furnished a written authorization for such deduction in a form acceptable to the Employer. Dues shall be per month or such amount as may be certified by the CWA to the Employer at least thirty (30) days prior to the month in which the deduction of Union Dues is to be made.

Deduction of Union Dues made pursuant hereto shall be remitted by the Employer to the CWA, c/o Treasurer, Communications Workers of America, AFL-CIO, 1 Lower Ferry Road, West Trenton, New Jersey, 08628 by the tenth (10th) calendar day of the following month after such deductions are made, together with a list of employees from whose pay such deductions were made.

B. The CWA agrees to indemnify and hold the Authority harmless against any and all claims, suits, orders or judgments brought or issued against the Sewerage Authority with regard to the dues check-off. The Authority shall not be liable to the Union for any retroactive or past deduction of Union Dues for an employee identified by the Authority as excluded or confidential or in good faith was mistakenly or inadvertently omitted from the deduction of Union Dues.

1) Dues deductions may only be stopped if the employees so request. Any such request must be in writing and submitted to the Sewerage Authority prior to December 15th of any given year. Dues shall be halted beginning with the first pay period of each calendar year.

2) The Sewerage Authority will immediately supply the Union a copy of any request to halt dues.

3) If, during the life of this Agreement, there shall be any change in the rate of membership dues, the Union shall furnish to the Sewerage Authority written notice prior to the effective date of such change, and shall furnish the Sewerage Authority a certified copy of the resolution, indicating dues changing and the effective date of such changes.

ARTICLE XVIII - AGENCY SHOP

A. Purpose of Fee:

Beginning thirty (30) days after Agreement on this contract, all eligible non-member employees in this unit will be required to pay the majority representative a representative fee in lieu of dues for services rendered by the majority representative. Nothing herein shall be deemed to require any employee to become a member of the majority representative.

B. Amount of Fees:

Prior to the beginning of each contract year, the Union will notify the Employer in writing of the amount of regular membership dues; initiation fees and assessments charged by the Union to its own members for that contract year, and the amount of the representation fee for that contract year.

The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues, initiation fees and assessments charged by the majority representative to its own members less the cost of benefits financed through the dues, fees and assessments and available to or benefitting only its members, but in no event shall such fee exceed eighty five percent (85%) of the regular membership dues, fees and assessments.

C. Deduction and Transmission of Fee:

After verification by the Employer that an employee must pay the representation fee, the Delran Sewerage Authority will deduct the fee for all eligible employees in accordance with this Article.

The mechanics of the deduction of representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

The Delran Sewerage Authority shall deduct the representation fee as soon as possible after the tenth (10th) day following re-entry into this unit for employees who previously served in a position identified as excluded or confidential, for individuals re-employed in this unit from a re-employment list, for employees returning from leave without pay, and for previous employee members who become eligible for the representation fee because of non-member status.

D. Demand and Return System:

The representation fee in lieu of dues only shall be available to the Union if the procedures hereafter are maintained by the Union.

The burden of proof under this system is on the Union.

The Union shall return any part of the representation fee paid by the employee which represents the employee's additional pro rata share of expenditures by the Union that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of any other benefits available only to members of the majority representative.

The employee shall be entitled to a review of the amount of the representation fee by requesting the Union to substantiate the amount charged for the representation fee. This review shall be accorded in conformance with the internal steps and procedures established by the Union.

The Union shall submit a copy of the Union review system to the Delran Sewerage Authority. The deduction of the representation fee shall be available only if the Union establishes and maintains this review system.

If the employee is dissatisfied with the Union's decision, he/she may appeal to a three member board established by the Governor.

E.
